

Во периодот од 1ви до 30ти август, волонтерите при Советот за превентива против малолетничка деликвенција во рамките на проектот Power to Change спроведоа низа на локални работилници на кои беа вклучени млади од Кавадарци.

Project “Power to Change” is implemented by Hate Fighters Network from Serbia in cooperation with Udruga Impress Daruvar from Croatia, IDA Network from Bulgaria, Organisation for Strategic Development in Africa (OSDA) from Ghana, Beyond Borders from Italy, SPPMD from North Macedonia, Círculo Raíces Sardas from Argentina and Hellenic Youth Participation (HYP) from Greece . Hate Fighters Network would like to increase the skills and knowledge of the youth workers of consortium organizations at two levels: the use of different creative methods in youth work and the use of counter and alternative narratives as a tool to combat hate speech in the work with young people. Main aim: To increase the number of peace-building and combat against hate speech activities in Europe, Latin America and Africa and develop a pool of youth workers competent in this field. Project includes series of mobility activities and capacity building activities. Project will be implemented from 01.11.2019 – 30.04.2021 in 8 countries in Europe, Africa and Latin America – Argentina, Bulgaria, Croatia, Ghana, Greece, Italy, North Macedonia and Serbia.
